## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 17-20, 24-26, 28 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In respect to claims 17-20, 25-27, the entire front surface of the silicon carbide single crystal substrate did not face the source material to grow the silicon carbide single crystal in the prior art growth apparatus.

In respect to claim 24, the addition of a lid shaped member to close the opening formed in the wall of the container facing the protection layer of the SiC single crystal substrate was not suggested in the prior art.

In respect to claim 28, the prior art does not suggest a growth face having a conically shaped inner surface that protrudes from the supported face.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
